## Front-end Web Developer

I'm a student in the Delta Academy, I study at the faculty of Management Information Systems. However, I'm a front-end web developer. I have 3 years of experience in this field. You can say that I'm a full-time Web developer in addition to being a student. I'm passionate about keeping up with everything new in technology trends, I have my personal touch at my work. you can be keen on me for any project you need to do.
